

Why Sponsor?

The Town of Jupiter Recreation Division strives to provide quality programs, activities and events for its residents. Recreation serves many purposes including meeting new friends, educating children and adults, improving self esteem, and increasing community pride.

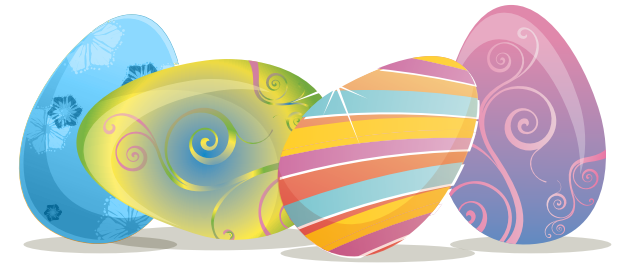

We offer a number of youth, adult and family oriented events throughout the year. There are many ways for the local community and businesses to sponsor and become involved in our events. Through generous sponsorships and donations, we are able to continue to meet the needs of our residents and offer enriching programs for all.
