ATM MACHINE RECOVERY

December 10, 2008 -- On Tuesday, December 9, 2008 at approximately 4:15pm the Palm Beach County Sheriffs was notified by a local fisherman of an ATM machine sitting within the wooded area along a dirt pathway just off of Indiantown Road, east of the BeeLine Highway. Jupiter Police Detectives also responded to the scene where they later confirmed the ATM machine was in fact the same one stolen from the Bank of America earlier that morning.

Jupiter Police Detectives are currently working cooperatively with other local police agencies to determine if this incident may be related to recent similar ATM thefts. Anyone with information is asked to contact Detective Kenerson at 561-746-6201.
