## Distraction Thefts

August 4, 2009 – The Jupiter Police Department is currently investigating two separate incidents involving distraction thefts. The first incident occurred at the Absolute Health Care medical office building on July 16, 2009 and the second incident on July 28, 2009 at Courtyard Gardens assisted living facility.

During both incidents a black male subject, posing as a janitor, enters the business and proceeds through several offices. Employees later discovered their wallets, cell phones and laptop computers missing. Investigation later revealed the victims credit cards were being used by two black females at local gas stations, video game stores, and two separate retail locations within Palm Beach County.

Surveillance video has developed persons of interest in both of these cases. Anyone with information concerning these incidents or the identity of these subjects is asked to contact Detective Jared Kenerson at 561-741-2422.
