## TRAFFIC CRASH WITH SERIOUS INJURIES

On Friday, November 7, 2008 at approximately 4:24pm, Officers from the Jupiter Police Department responded to 501 Wingfoot Drive in reference to a traffic crash. Officers discovered that a vehicle had crashed into the building at this address.

The female driver (sole occupant) of a yellow 2002 Ford Escape had driven out of a driveway in the 200 block of Wingfoot Drive. As she drove along Wingfoot Drive, she struck unoccupied, parked silver 1994 Mercury Topaz. The Ford Escape continued west, approximately fifty yards, through a parking lot until it struck the building at 501 Wingfoot. The impact created a large hole in the exterior wall of an occupied residence. Nobody inside the residence was injured.

The driver was transported by Trauma Hawk to St. Mary's hospital with serious injuries. This crash is still under investigation and more information will be released as it becomes available.
