Residential Fire Investigation Update (2)

October 21, 2009 – The investigation into the residential fire at 5752 Sugarwood Court has been classified as accidental and the most probable cause was a discarded cigarette within the master bedroom.

An autopsy completed this morning did not reveal any suspicious circumstances surrounding the death of Susan Reger. Preliminary findings indicate the victim's death was accidental as a result of smoke inhalation.

No additional information is available concerning this incident.
