Decorations

We are extremely lucky to have a facility that is located directly on the beach. Other than a few restrictions, this historical facility is a flexible and affordable location while still being able to accommodate a wide range of ideas, set ups and styles. Therefore, it is extremely important for everyone to do their part and remove all decorations completely including nails, tacks, pins, tape, fishing line, etc. The Town of Jupiter reserves the right to amend these rules at any time.

Decorating restrictions are as follows:

1. The rental of tables and chairs, in addition to or in place of, is not advised at this location. (see #3 below)
2. All rentals at the Civic Center, including 2 consecutive day rentals, CAN BEGIN, INCLUDING SET UP, NO EARLIER THAN 9:00 AM and must end, including clean-up, NO LATER THAN 11:59 PM. No exceptions to this time frame so plan your event accordingly. Failure to comply will result in security deposit deductions.
3. Everything (decorations, equipment, food, cakes, drinks, etc.) *MUST* be removed from the Civic Center and premises before you leave on your reserved date unless your reservation is for 2 consecutive rental days. This will be enforced even if the next day is a holiday or is not rented the following day. *Failure to comply WILL result in total loss of your \$700 security deposit.*
4. The use of balloons in Carlin Park is PROHIBITED.
5. The use of confetti, including biodegradable confetti, is strictly prohibited inside and outside of the facility, and especially on the beach. Violations will result in fines ranging from \$300 up to \$700.
6. *Palm Beach County Sea Turtle Protection Ordinance*
Each year beginning March 1st and running through end of October, sea turtles come ashore to lay eggs on Palm Beach County's beaches. Unfortunately, artificial lighting visible from the beach often causes sea turtles to become disoriented, preventing them from finding their way back to the ocean. As a result, *under no circumstances* should the applicant add lighting to the Civic Center that can be seen, directly or indirectly, from the beach. This includes interior lighting as well as exterior lighting in the sea grape area south of the building, along the walkway up to the facility and around the porch. Failure to comply may result in fines from agencies that patrol the beach at night. There is sea turtle compliant lighting up the walkway and around the deck.
7. *Use of Fabric/Material Decoration Restrictions*
As required by law fabric/material used in public spaces for draperies, curtains, and similar hanging textiles, must be certified as flame retardant with a NFPA 701 certification. In addition, any gathering of material must be less than 12" wide

with a minimum spacing of 10' in between gatherings. Decorations/fabric/material must be at a minimum 24" away from any fire sprinkler heads. Do not hang anything directly on fire sprinkler pipes, (thicker pipes running East/West) or block the flow of water from fire suppression equipment.

Fire Sprinkler Alarm System

The Civic Center is monitored by a fire sprinkler alarm company. If you, or one of your guests, set the alarm off as a result of inappropriate actions you will be charged for the service/monitoring call (\$250 fine) to reset the alarm system. See Decorations and Catering/Cooking on Site Limitations for more specific information.

Fires on the Beach

Fires are NOT permitted on/in Palm Beach County beaches/parks. This activity is restricted under PALM BEACH COUNTY ORDINANCE 2004-002, Section 6. This includes all parks and beaches in Jupiter, Carlin Park and at the Civic Center.

Occupancy

There are tables and chairs for approx. 100 guests. When chairs and tables are set up there is little space for additional tables and chairs. Fire code compliance is 100 guests.

Public Viewing

Every Wednesday from 12:30 – 1:30 PM is a scheduled public viewing of the facility as well as maintenance and repairs. The Civic Center is not available for rent on Wednesdays. Public viewings maybe be cancelled due to holidays and unforeseen circumstances. Whenever possible public viewing cancellations will be noted on the Civic Center webpage. No reservations are required for the public viewing. You may contact the Jupiter Community Center for up to date information at 561-741-2400, Mon-Fri, 8am-8:00pm, Sat 8am-3:30pm.

Fundraisers

Only groups listed here may receive any type of benefit in connection with fundraising activities/events held at a Town facility, either in the form of direct/indirect monetary gain, trade, discounts and/or any other goods or services. Jupiter based non-profits with a 501(c)3 status, Jupiter based public schools and governmental agencies will be permitted to host fundraising events at the Jupiter Civic Center.

6. If your event is open to the general public, then the 501©3 organization must provide a certificate of insurance (COI) specifically naming the Town of Jupiter, 210 Military Trail, Jupiter, as additionally insured on the insurance certificate.
7. Incomplete information will delay the approval/processing of your application.
8. Dates will not be held more than 7 days without a disclosure form and full payment.

Rented Amusements, etc.

Rented amusements are not permitted to operate at the Civic Center or in Carlin Park. This includes bounce houses, dunk tanks, climbing walls, etc.

Hurricanes/Acts of Nature/Pandemic

The Town of Jupiter reserves the right to cancel any rentals due to, but not limited to, any act of nature (i.e. hurricanes, beach erosion, encephalitis, pandemic, etc.). Please keep your contact information up to date as we will communicate any cancel/changes to your email account on file. The Town of Jupiter is not liable for any penalty fees, loss of deposits, etc., incurred by lessee from 3rd party vendors in which any acts of nature require an event to be cancelled/rescheduled at the Civic Center.

If your rental date is during hurricane season (June 1st–November 30th) there is a real possibility that your event will be disrupted by a hurricane. (See [Hurricane Brochure](#)) If your reservation is cancelled by the Town of Jupiter, you may either reschedule or receive a full refund *without* penalty.

Beach & Gate Access

Renting the Civic Center provides access to the beach **unless** dredging is taking place in the immediate area of the facility. The

Jupiter Inlet and beach is especially vulnerable to significant depth changes and beach erosion that cause the waterways and beaches to become hazardous. As a result, national, state and county organizations may dredge the inlet and beach at any time which may impact/prevent your access to the beach.

Beach ceremonies may not prevent the public from using the Civic Center beach access point or obstruct the flow of movement by the public already on the beach.

While the boardwalk steps and ramp up to the Civic Center is public access, you are permitted to stop the public from making the turn into the Civic Center by posting a sign on the Civic Center side of the boardwalk stating "PRIVATE PARTY." The Civic Center parking lot gate on the north side of the Civic Center parking lot is NOT public access. You do not have access to this gate and is a violation of fire and building codes to access or block this area. Your event will run the risk of being shut down or heavily fined if you are in violation.

Turtle Season Restrictions (See Also Decorations)

From March 1st through October 31st is turtle season. Under the Sea Turtle Protection Act and Sand Preservation Ordinance (#2009-40) renters are required to reduce impacts of coastal lighting and beach obstructions on sea turtles - this includes: the Town of Jupiter, Jupiter Civic Center AND YOUR RENTAL. Currently available around the Civic Center is low lying, PBC approved low level deck lighting, in compliance with turtle season requirements.

1. Under no circumstances should an applicant add outside/inside lighting to the Civic Center that can be seen directly or indirectly from the beach from March 1-October 31. Failure to comply may result in fines from various agencies who patrol the beach at night.

Catering/Cooking on Site Limitations

Per PBC Fire Rescue: cooking, broiling or frying with meats, oils, fats, greases, butters, etc. is strictly prohibited at this location. Please inform caterers that the Civic Center is not equipped with a catering kitchen or any special amenities to accommodate catering needs. It is not intended for caterers to cook an entire meal at this location.

Parking @ Civic Center

For updated information regarding special events in Carlin Park please contact Palm Beach County Parks and Recreation Department's Special Events Division at (561) 547-2173 periodically prior to your event.
