

**FINAL MINUTES AND AGENDA
TOWN OF JUPITER
TOWN COUNCIL SECOND MEETING
TOWN COUNCIL CHAMBERS
TUESDAY, MARCH 15, 2022**

Mayor Wodraska called the meeting to order at 7:12 P.M.

Roll Call: Mayor Todd R. Wodraska; Vice-Mayor Cameron May; Councilor Ron Delaney; Councilor Ilan G. Kaufer; Councilor Cheryl Schneider; Interim Town Manager Frank Kitzerow; Town Attorney Thomas J. Baird and Town Clerk Laura Cahill.

PROCLAMATION

1. Recognizing Officer Guy Kitchens for his heroic and selfless act of donating a kidney to a retired fellow Law Enforcement Officer.

Mayor Wodraska presented the proclamation to Officer Kitchens.

Officer Kitchens thanked everyone at the Town who helped the process come together. He said as much as he appreciated the recognition, he knew any of his fellow Officers, who risked their lives every day, would have done the same thing.

CITIZEN COMMENTS

Ms. Linda McDermott, resident of Chadwick Drive, discussed the police radio pole and congratulated the residents of the Bluffs community for their commitment to find a solution to relocate the pole. She noted the Town needed to continue to be transparent and work with the community.

Ms. Beth Dillinger, resident of West Beverly Road, thanked Council for all their hard work. She stated this was the first year she had received negative mailings regarding a candidate running for office. She felt for someone to lower their integrity, to hire workers to stand at the precinct locations holding signs making false claims, was inexcusable.

Ms. Linda Smith, resident of Via Rio, stated at the last meeting the Town had allocated money to landscaping and she hoped it included a Florida friendly native landscape. She supported bicycle month; electric vehicle (EV) charging stations; the reduction of single use plastics; and protection of the natural environment.

Ms. Shirley Jackson, resident of North Palm Beach, spoke about her concerns regarding wireless implications and how the Federal Communication Commission (FCC) had disregarded substantial science.

CONSENT AGENDA

All items listed in this portion of the agenda are considered routine by the Town Council and will be enacted by one motion. There will be no separate discussion of these items unless a Councilor or citizen so requests; in which event, the item will be removed and considered at the beginning of the regular agenda.

Councilor Delaney moved to approve the Consent Agenda; seconded by Vice-Mayor May; motion passed.
