Washington Street Parcel Conservation: Amended the Town Charter to zonify a 1.6 acre parcel located on the north side of Indiantown Road between Caprice Court and the Florida Turnpike. Amendments to Town Charter: Amended the Town of Jupiter Charter in sections regarding the forfeiture of office in certain circumstances; the appointment of an acting Town Manager when needed; the responsibilities of the Town Attorney; standards for voter-proposed ordinances for consideration; time limits for reconsidering an ordinance; and allowance for administrative clean-up of language.

Washington Street Parcel Conservation: Amended the Future Land Use Map designation from “General Industrial with the Bioscience Research Protection Overlay” to “Conservation;” and the Zoning Map designation from “Industrial, High Technology and Employment Center” to “Conservation Preservation” for a 16.6 acre parcel of land located on Washington Street (north of Indiantown Road and west of island Way).

Landscaping Improvements for Alternate A1A: Awarded a contract for $521,490.11 to A Cut Above Landscape and Maintenance, Inc. for landscape improvements to Alternate A1A from Toney Penna Drive to Center Street.

Sims Creek Preserve: Awarded a special exception and site plan for a passive park (including a kayak launch) on a 2.0 acre property located on the southeast corner of the intersection of Center Street and Thelma Avenue.

Glyphosate Use Reduction: Passed a resolution to reduce the use of products containing glyphosate by the Town and its contractors and to encourage a reduction in use by the public.

Institute for Healthy Living: Approved a special exception to modify conditions of approval on an 8.8 acre property located at S01 Innovation Way to change the timeframe when certain agreements must be executed and the requirements on how the facility was approved to operate as a life science and research facility.

Abacoa Dakota: Amended the Neighborhood Commercial district section of the master site plan for the Dakota neighborhood in Abacoa to add 20 dwelling units and reduce retail square footage on a 9.2 acre property on the southeast corner of Dakota Drive and Bismark Lane. Also modified the individual site plan to construct a three-story building with medical and retail uses on the ground floor and 20 multifamily rental apartments. This approval included a zoning text amendment allowing a 10 percent increase of residential units in the Neighborhood Commercial district if workforce housing is provided.

Police Benevolence Association Contract: Approved a contract between the Town of Jupiter and the Palm Beach County Police Benevolence Association representing Jupiter Police Officers and Sergeants effective October 1, 2019 through September 30, 2022.

CRA COMMISSION
East Indiantown Road Improvements: Reviewed plans at 30% completion for the Indiantown Road Improvements Project for the portion of Indiantown Road from US 1 to A1A to add landscaping, medians, lighting, and pedestrian and bicycle amenities.

Interlocal Agreement with the Stormwater Fund: Approved a loan agreement between the CRA and the Stormwater Fund to make an advance in the amount of $281,732 in order for the Stormwater Fund to complete projects on Saturn Street and Clemens Loop.

Interlocal Agreement with the Stormwater Fund: Approved a resolution to authorize the membership of the Town in the Stormwater Fund to complete projects on Saturn Street and Clemens Loop.

Washington Street Parcel Conservation: Amended the Future Land Use Map designation from “General Industrial with the Bioscience Research Protection Overlay” to “Conservation;” and the Zoning Map designation from “Industrial, High Technology and Employment Center” to “Conservation Preservation” for a 16.6 acre parcel of land located on Washington Street (north of Indiantown Road and west of island Way).

Landscaping Improvements for Alternate A1A: Awarded a contract for $521,490.11 to A Cut Above Landscape and Maintenance, Inc. for landscape improvements to Alternate A1A from Toney Penna Drive to Center Street.

Sims Creek Preserve: Awarded a special exception and site plan for a passive park (including a kayak launch) on a 2.0 acre property located on the southeast corner of the intersection of Center Street and Thelma Avenue.

Glyphosate Use Reduction: Passed a resolution to reduce the use of products containing glyphosate by the Town and its contractors and to encourage a reduction in use by the public.

Institute for Healthy Living: Approved a special exception to modify conditions of approval on an 8.8 acre property located at S01 Innovation Way to change the timeframe when certain agreements must be executed and the requirements on how the facility was approved to operate as a life science and research facility.

Abacoa Dakota: Amended the Neighborhood Commercial district section of the master site plan for the Dakota neighborhood in Abacoa to add 20 dwelling units and reduce retail square footage on a 9.2 acre property on the southeast corner of Dakota Drive and Bismark Lane. Also modified the individual site plan to construct a three-story building with medical and retail uses on the ground floor and 20 multifamily rental apartments. This approval included a zoning text amendment allowing a 10 percent increase of residential units in the Neighborhood Commercial district if workforce housing is provided.

Police Benevolence Association Contract: Approved a contract between the Town of Jupiter and the Palm Beach County Police Benevolence Association representing Jupiter Police Officers and Sergeants effective October 1, 2019 through September 30, 2022.

CRA COMMISSION
East Indiantown Road Improvements: Reviewed plans at 30% completion for the Indiantown Road Improvements Project for the portion of Indiantown Road from US 1 to A1A to add landscaping, medians, lighting, and pedestrian and bicycle amenities.

Interlocal Agreement with the Stormwater Fund: Approved a resolution to authorize the membership of the Town in the Stormwater Fund to complete projects on Saturn Street and Clemens Loop.

Recently, you may have received in your mailbox an invitation to participate in Jupiter’s annual citizen survey. Each year, the Town of Jupiter conducts a survey of its residents to assess their views on services, programs and policies. The results are used to benchmark and compare Jupiter’s performance with other towns and cities in Florida and across the nation.

In May, members of the census staff will go door-to-door visiting households that did not respond to the census to complete a survey by phone or by mail. The census will be available in 13 different languages, and in braille and large print. Census marks the first time there is an online option for responding. You can also respond online at www.2020Census.gov or by mail. Visit the Palm Beach County Supervisor of Elections website (www.pbcelections.org) to access the voter registration application and to find your voting precinct.

In order to vote in the election on March 17, 2020, you must be registered to vote by February 18, 2020.

The Town of Jupiter has several advisory boards and committees which are appointed by the Town Council. To apply to serve on a Jupiter Board or Committee, please complete the online application at www.jupiter.fl.us/Departments or by mail, a member of a board or committee, please complete the online application at www.jupiter.fl.us/Departments. Jupiter Town Times | www.jupiter.fl.us | 210 Military Trail, Jupiter, FL 33458 | 561.746.5134

Mark Your Calendars for Election Day Tuesday, March 17, 2020
On Tuesday, March 17, 2020, polls will be open from 7:00 am to 7:00 pm for voting in the presidential primary election and the Town of Jupiter general election.

Presidential Preference Primary Election: Due to Florida’s closed primary process, voters may only vote among the candidates in the party under which they are registered (Democrat, Republican or Independent).

Town General Election: For the Town’s general election, the following seat will be filled:
- First District Seat – Three-year term

All candidates are elected by the voters of the Town at large. If a run-off election is necessary, it will be held on Tuesday, March 31, 2020. For municipal elections in Jupiter, please visit www.jupiter.fl.us/Elections or contact the Town Clerk’s Office at 561-741-2352 or sallyb@jupiter.fl.us.

In April, 2020, you will have received an invitation to participate in the census. The 2020 Census marks the first time there is an online option for responding. You can also respond by phone or by mail. The census will be available in 13 different languages, and in braille and large print.

In May, members of the census staff will go door-to-door visiting households that did not complete their forms. All of this is in an effort to obtain the most complete and accurate count of the people living in our community and in communities all across the United States. Census workers will always have identification, so never hesitate to ask to see their official ID.

Be sure to complete your household’s 2020 Census form – whether online, on the phone, or by mail. Visit www.2020Census.gov for more information on this important program.

Early voting for both elections will be held March 7 - 15 from 10:00 am to 6:00 pm, and registered voters may vote at any early voting site in the county. Residents who vote on election day (March 17) are required to do so at their designated voting precinct. Visit the Palm Beach County Supervisor of Elections website (www.pbcelections.org) to access the voter registration application and to find your voting precinct.

In order to vote in the election on March 17, 2020, you must be registered to vote by February 18, 2020.

The Town of Jupiter has several advisory boards and committees which are appointed by the Town Council.
- Art Committee
- Audit Committee
- Beach Committee
- Construction Board of Adjustment and Appeals
- Education Task Force
- Environmental Task Force
- Historic Resources Board
- Planning and Zoning Commission
- Police Pension Board

Many of these boards and committees have upcoming vacancies for the first four members to be appointed by the Town Council tentatively scheduled for the first Council meeting in April. If you are interested in volunteering as a member of an advisory board or committee, please complete the online application at www.jupiter.fl.us/Departments.

You can also print and mail a copy to the Town Clerk’s Office at 210 Military Trail, Jupiter, Florida 33458. Applications for April 2020 appointments must be received by February 4, 2020. Any applications received after February 4 will be kept on file and considered for next year’s appointments. For more information, contact the Town Clerk’s office at 561-741-2352.

Calling All Jupiter Residents Get Involved: Apply to Serve on a Town Board or Committee
Reducing the Use of Glyphosate-Based Products

On November 19, 2019, the Jupiter Town Council passed Resolution 108-19 that calls for a reduction in the use of glyphosate-based products (such as Roundup) by the Town and its contractors on Town-owned properties. The resolution also encourages the same reduction by Jupiter residents at their own properties. Glyphosate products, which have been in use since the 1970s, are commonly used to control weeds and invasive, exotic plants that can destroy native vegetation and disrupt the wildlife habitat. However, due to growing concern that glyphosate is highly toxic to humans and animals, as well as the environmental risk that it poses if toxics are entering our water resources in the form of runoff, Town staff began researching alternatives that reduce this potential health risk. While the scientific evidence linking glyphosate to harmful effects on health has been inconclusive, the Town believes it is important to reduce even potential risks whenever possible. Therefore, the Town has joined with the other Towns in its center of glyphosate products in Town-owned areas frequented by people such as Town parks, playgrounds and landscaped areas, and instead use alternative products where appropriate. Due to their effectiveness in controlling invasive, exotic vegetation, glyphosate-based products will continue to be used in the Town’s natural areas where there is minimal human activity. As a result, as well as the ordinance that Council passed in 2018 to prohibit the use of certain fertilizers, supports the Town’s overall initiative to reduce the use of fertilizers, pesticides, and other potentially harmful chemicals in order to protect our natural resources. Residents can help achieve this goal by opting for a glyphosate-free herbicide when maintaining their properties. Visit the Florida Friendly Landscaping website (ff.l.ifas.ufl.edu) for more information about environmentally-friendly landscaping in Florida, and consider incorporating some of these methods into your own maintenance practices. For more information on the resolution and what it means for the Town and its residents, visit www.jupiter.fl.us/Glyphosate.

For updates.

Street Tree Management Plans for Communities

The Jupiter Town Council has long recognized the value of street trees and the many benefits they lend to a neighborhood, providing not only natural beauty, but also shade and cooler temperatures to enable residents to enjoy the outdoors and walk year-round within their community. The Council also recognizes the need to keep infrastructure such as sidewalks, curbs and utilities in good working order. Unfortunately, sometimes nature and infrastructure conflict, and a balanced solution is needed.

Projects to Combat Beach Erosion Underway

Residents may have noticed some equipment and activity on our beaches recently. In November, Palm Beach County Environmental Resources Management (PBC ERM) began its project to combat beach erosion by pumping sand from an offshore site and placing it along the shoreline. The project started with a 1.95-mile stretch of beach along Jupiter Beach, from south of the Jupiter Inlet to the southern boundary of Carlin Park. It will continue with a small section of beach just north of the Jupiter Reef Club. The project is expected to be complete by the end of January, 2020. The beach will remain open while crews work, but beach-goers will notice pipe along the beach and the fenced-off areas where the immediate work is happening. Visitors may also notice dark water study water and an odor from the new sand, which will subside within a few weeks of its placement. PBC ERM will be keeping the project webpage up-to-date as the project progresses, so please visit discover.pbcgov.org/erm/ for updates.

Town Breaks Ground on New Building

On October 21, 2019, the Town held a ceremonial groundbreaking for the new police headquarters, IT data center, and Veterans Memorial, which will be located at the corner of Carlin Park Road and Military Trail. The new facility, which is expected to cost $22 million using funding from the one-cent sales surtax approved by voters in 2016 for use on infrastructure projects such as roads, bridges, schools and government buildings. Additionally, a grant from the Florida Department of Emergency Management helped to ensure that the new building will withstand wind speeds of up to 192 miles per hour, and be able to serve as the Town’s emergency operations center. Other improvements to the grounds of the overall municipal complex will include the establishment of a Veterans Memorial, providing Jupiter with a beautiful, thoughtful gathering spot to honor those who have served. The new facility and memorial is an investment in public safety, cyber security, and community that will serve Jupiter for many years to come.

Projects

The combined cost of the five projects is $5.87 million, with nearly $4 million coming from local sponsors. As a local sponsor, the Town is contributing over $3.5 million from its Community Investment Program fund. The LRPI’s work with Senator Bobby Powell and Representative MaryLynn Magar to request the remaining $1.89 million in state funding in the 2020 Florida legislative session. For more information about the LRPI and its initiatives, visit www.lrpi.us.
Coffee with a Cop
January 9 & March 12
3:15 pm • Jupiter Community Center
High school-aged teens are invited to join the Jupiter Police Department to share ideas, build relationships, enjoy pizza, and earn community service hours through the Cops & Teens Talk program. Teens will have the opportunity to talk with Police Officers about things that are important to them in a relaxed and healthy environment. The program takes place the second Wednesday of the month at 3:15 pm in the Jupiter Community Center.
For more information or if you have questions, please visit www.jupiter.fl.us/Cops Teens or contact Officer Diana Zeitz at 561-741-2436.

Jupiter Police Department Citizen Survey
You are invited to participate in the Jupiter Police Department’s citizen survey. The survey is part of a continuing effort to provide professional and efficient police services to residents of the Town of Jupiter. Your responses will help us improve the service you have received, recognize positive performance, and identify opportunities for improvement. Your feedback will also provide valuable insights on how we might improve community relations and better serve our residents. To participate in the survey, visit www.jupiter.fl.us/JPDSurvey.

Pedestrian and Bike High Visibility Enforcement / Traffic Safety Enforcement Campaign Through May 2020
For the fifth year in a row, the Jupiter Police Department will be participating in the Pedestrian and Bike Safety High Visibility Enforcement campaign. Through this campaign, JPD is committed to providing education and awareness to pedestrians, bicyclists, and motorists so we can ensure their safety and the safety of everyone who utilizes our roadways. This grant-funded campaign through the Florida Department of Transportation, Institute of Police Technology and Management, and the University of North Florida will run through May 2020. For more information about pedestrian and bike safety and community programs and resources, please visit www.jupiter.fl.us/BikePedSafety.

Jupiter Police Department Annual Soccer Tournament March 14, 2020
The Jupiter Police Department is hosting its 8th Annual Soccer Tournament on Saturday, March 14 at Jupiter Community Park. While the soccer tournament showcases some pretty talented players, there will also be other activities to enjoy around the park. Palm Beach Fire & Rescue and the Jupiter Police Department will be on hand on an entertaining and educating demonstration, and there will be plenty of fun things to do for kids and adults.
This annual soccer tournament is an initiative of the Jupiter Police Department to create an avenue for interaction between the community and the police in a safe and fun environment. For more information about the soccer tournament, please call 561-746-6201 or visit www.jupiter.fl.us/JPDSoccer.

2020 Matching Grant Program: Your Neighborhood May Be Eligible to Receive a Grant!
Each year, the Town of Jupiter awards Neighborhood Enhancement Grants to eligible projects submitted by neighborhoods in our community. Each grant award can be as much as $5,000, and can go towards things like entrance signs, landscaping, lighting, security cameras, and exterior improvements that enhance the look and value of the neighborhood. Neighborhoods are required to provide a dollar-for-dollar match with the awarded funding, and project proposals must come from the neighborhood residents and be approved by their neighborhood association. Applications for the 2020 Town of Jupiter Neighborhood Matching Grant Program will be available online the first week of February and will be due by March 13, 2020.
If you are interested in participating in the program, please plan to attend a workshop to discuss the grant criteria on February 6, 2020 at 6:00 pm at the Jupiter Community Center (200 Military Trail). Communities who send at least one representative to the workshop will receive an additional 10 points towards their application. HOA property managers representing a community will not receive the bonus points. Communities that were awarded Neighborhood Matching Grant Program funds in the previous three years (2017-2019) are not eligible to apply in 2020.
For more information, please call Satu Oksanen, Neighborhood Services Manager, at 561-741-2524 or visit www.jupiter.fl.us/MatchingGrantProgram.

Jupiter's Biggest Hometown Celebration
Saturday, February 1 • 11:00am – 4:00pm
You won’t want to miss this annual Jupiter tradition! The Jubilee originated as the Town’s 75th anniversary celebration, and has continued for 18 years as the Town’s signature community event. The Jupiter Jubilee is a free community event featuring live entertainment, food vendors, local vendors and a kids adventure area.
The Town is also incorporating its PURE (Plastic Use Reduction Encouragement) campaign at this year’s event. The PURE campaign was initiated by the Town Council in the summer of 2018 and aims to limit the use of single-use plastics within Jupiter. With that idea in mind, the Town is asking attenders to bring in their single-use plastic bags to the Jubilee to be recycled. Anyone who drops off ten bags or more will get a free reusable shopping bag provided by the Town. Learn more about PURE by visiting www.jupiter.fl.us/PUREJupiter.

Common Winter Code Violations
As the weather cools off, some code violations become more common. Check out the top three winter code violations:

- Animals Creating Nuisance: With the cooler weather, more people open their windows and a barking dog is more easily heard. A dog becomes an animal creating nuisance if it is an habitual barker.
- Improper Use of RVs: Winter brings travelers to Town, but housing your guests in campers or RVs is not permitted.
- Open Burning: You can’t participate in open burning of trash, debris, grass, weeds, wood, etc within Town limits without a permit.

For more on Town code, visit www.jupiter.fl.us/Code.
Ask the Expert: Intelligent Transportation Systems Technology on Indiantown Road

Over the past year as you have traveled back and forth along Indiantown Road, you may have noticed some construction crews working around traffic lights and freshly paved intersections. This activity can be attributed to an FDOT project requested by the Town and Palm Beach County to integrate Intelligent Transportation Systems (ITS) technologies into the traffic lights on Indiantown Road between US 1 to the east and Island Way to the west. In order to better understand this project, we posed a few questions to the FDOT project team.

What is Intelligent Transportation Systems (ITS) technology?

ITS technology uses advanced communication systems, embedded in transportation infrastructure to enhance safety, mobility and productivity. Simply put, ITS systems use technology to improve the flow of traffic, making the road safer and less congested.

How is an ITS system different from how traffic is currently managed?

Older traffic management technology relies on reported vehicular patterns during peak and off-peak hours to establish timing for traffic lights. ITS technology uses real-time traffic data obtained through traffic detection video cameras and can adjust the lights from a remote location to allow for better flow.

Are the ITS cameras also red-light cameras?

No. The traffic cameras are only used to detect traffic to manage flow and cannot monitor traffic infractions.

Are there any impacts to pedestrians and cyclists? 

Pedestrians and cyclists may notice quicker crossings (time-wise) through an intersection when traffic flow is heavier, as real-time adjustments are made. Also, the new traffic detection video cameras added at some of the existing intersections can be programmed to detect cyclists using bike lanes, and will activate the signals accordingly. This is not typically possible with the older detection systems.

What kind of real-time benefits can residents expect to see from this implementation?

Palm Beach County’s Traffic Management Center, which monitors and controls all signals on all roads in Palm Beach County, will be able to modify the traffic signal time to decrease wait times if there are back-ups on the roadway. This will be most notable during the fall-winter-spring months when it is “season” in Florida, and additionally during weekly rush hour in the morning and afternoon.

2020 Sponsorship Opportunities Now Available

If you haven't had a chance, be sure to check out the 2020 sponsorship booklet which features a wide range of opportunities for everyone and every budget. It’s your last chance to sign up for the following great sponsorship opportunities. You won’t want to miss these! For more information on any sponsorship, visit www.jupiter.fl.us/Sponsorship or call Kate Pokorny at 561-741-2365.

Visit us on social media: Download our app using the Let Us Know button on the Town of Jupiter homepage.

Get updates and information through Notify Me. Sign up to receive emails about things like Town events, Council meetings, live broadcasts and more!

Visit www.jupiter.fl.us/Sponsorship for a listing of events and happenings in the Jupiter area.
NOTE FROM DIRECTOR

Happy New Year! Now that the holidays have passed and everyone is hard at work on their new year’s resolutions, keep in mind the number of ways the Town’s recreation programs and numerous parks can help you stay on track towards a healthy lifestyle.

The Community Center offers a wide variety of exercise and fitness classes for children through adults. Our unique “Zumbini” class, described as happy hour for you and your child, offers infants and toddlers the opportunity to move, stretch and dance to a rhythmic beat, which is important in the early childhood development stages. This class can help children in a number of ways to include developing their emotional skills through dancing, moving, feeling and singing; enhancing motor skills and learning to bounce to a beat; developing social skills by interacting with other children; and strengthening the bond between parent and child by spending quality time together. What a great way for parents to connect with their child and other parents, while ensuring physical activity on a regular basis.

Several adult wellness and fitness classes, including Zumba, Stretch and Strengthen, Tai Chi, Yoga and many more are offered Monday through Friday each week throughout the year. These classes offer participants a well-rounded approach to reach the Department of Health and Human Services’ daily recommendation of at least 30 minutes of moderate physical activity every day.

Many of our Town parks offer walking paths including Cinquez Park, Indian Creek, North Palm Beach Heights and Abacoa Community Park, to name a few. Additionally, did you know the state-of-the-art running/walking track at Jupiter Community High School is open for public use throughout the year?

So in 2020, whether you’re working towards a weight loss goal, maintaining a healthy lifestyle or are just committed to getting outside to enjoy the beautiful winter weather in Jupiter, the Recreation Department can help you do that. I look forward to seeing you at the upcoming Jupiter Jubilee on Saturday, February 1 at Abacoa Community Park - another great opportunity to get outside and enjoy all that our town has to offer!

Kristin George - Director of Recreation

COMMUNITY EVENTS & HAPPENINGS

YOUTH PROGRAMS

Youth programs provide a variety of activities to stimulate the body and mind, and are geared towards kids up to 17 years old. Programs take place at the Jupiter Community Center unless otherwise noted. Full program descriptions can be found at www.jupiter.fl.us/Recreation. Prices are listed for residents (R) and non-residents (NR). Fees for classes in progress are prorated. No classes on January 20, February 17 or March 23-30.

REGISTRATION

Registration will begin Monday, January 13. For more information, please call 561-630-5684 or visit www.jupiter.fl.us/Camps. All participants must be registered by Wednesday, February 12. There will be a $5 administrative fee charged for any cancellations less than three days prior to the program date. Youths programs provide a variety of activities to stimulate the body and mind, and are geared towards kids up to 17 years old. Programs take place at the Jupiter Community Center unless otherwise noted. Full program descriptions can be found at www.jupiter.fl.us/Recreation. Prices are listed for residents (R) and non-residents (NR). Fees for classes in progress are prorated. No classes on January 20, February 17 or March 23-30.

NEW CLASS REGISTRATION INTRODUCTIONS

Experience the fun and benefits of taking a class for the first time. Whether you are looking for a new activity, a hobby or to learn a new skill, we have a class for you!

Please be advised that there will be a $5 administrative fee charged for any cancellations less than three days prior to the program date.

GYMNASTICS - 112301

Register for the following programs at www.jupiter.fl.us/Toddlers.

PRINCESS PARTY

Join us for a morning filled with princess fun! Princesses age two and up are encouraged to come dressed in their favorite royal attire and enjoy story time, snacks, sing-a-longs and crafts. Children will also meet and mingle with a very special princess guest during the party.

VALENTINE'S STORY TIME & COOKIE DECORATING

Lovey Dovey the Valentine is back to help spread the love this Valentine’s Day! Children will be lead through a storytelling magic show with songs and dancing as well as a special hands-on craft/snack.

COPS & TODDLERS: CONNECTING TOTS WITH OUR LOCAL HEROES

Bring your tot to meet your local Town of Jupiter heroes from the Police Department. Whether police officers are fighting crimes or building safer neighborhoods, their relationships with children are critically important. Your child will have the opportunity to meet police officers as well as check out their equipment and a police cruiser. A snack will be provided. This program is free, however an RSVP is required.

SCHOOL’S OUT DAY CAMPS - 142301

School's Out Day Camps offer a safe environment with supervision and fun activities during Palm Beach County School's teacher work days and select holidays. Activities may include field trips, team sports, group games, crafts, and game room time. Please arrive to camp by 9:00 am. Registration for all School's Out Camps closes three business days prior to the program date or when enrollment has reached maximum capacity. There will be a $5 administrative fee charged for any cancellations less than three days prior to the program date. Registration will begin Monday, January 13.

SUMMER CAMPS

The Town of Jupiter is the place to be for exciting adventures and a summer to remember! We offer a variety of summer camp options designed to provide entertainment and enrichment for a few hours a day, half-day or for a full-day. We have traditional youth and teen camps, as well as a variety of sports and specialty camps. Art, dance, surfing, cooking - the options are endless! For more information and camp details visit www.jupiter.fl.us/Camps.

PARENT'S NIGHT OUT - 142302

Parents, are you in need of a night out with friends or maybe a special dinner this Valentine’s Day? No problem, Jupiter Recreation has got you covered! Drop off your kids at the Community Center where they will enjoy pizza, the game room, gym games and a movie while supervised in a safe environment.

HOLIDAY PROGRAMS - 534101

School’s Out Days and National Holidays

All participants must be registered by Wednesday, February 12. There will be a $5 administrative fee charged for any cancellations less than three days prior to the program date. Youths programs provide a variety of activities to stimulate the body and mind, and are geared towards kids up to 17 years old. Programs take place at the Jupiter Community Center unless otherwise noted. Full program descriptions can be found at www.jupiter.fl.us/Recreation. Prices are listed for residents (R) and non-residents (NR). Fees for classes in progress are prorated. No classes on January 20, February 17 or March 23-30.

TEEN PROGRAMS

REC-IT-FRIDAYS

Middle school and high schoolers 17 and under: Come hang out at the Jupiter Community Center for Rec-it-Fridays. The whole Community Center is open to teens 17 and under for a night of free activities. Open gym basketball, glow-in-the-dark dodge ball, movies in the auditorium, and game room games are just some of the activities going on. There will also be food provided. For more information, please contact Nad Massie at 561-741-2400 or visit www.jupiter.fl.us/Recreation.

CHILD & BABYSITTING SAFETY COURSE - 523201

The American Safety and Health Institute (ASHI) Child and babysitting Safety training program is designed to focus on supervising, caring for, and keeping children and infants safe in babysitting settings. The program provides fundamental information on the business of babysitting, proper supervision, basic care-giving skills, and responding properly to ill or injured children or infants. This is an ASHI Certification course. More information on ASHI can be found at www.hsi.org/ashicabst/. For more information about this course, please contact the instructor, Jason Griffis, at 561-379-9221 or at griff2067@me.com. (AGES 11-15)

SPRING BREAK SKATE CAMP

The Jupiter Skate Park will be offering Skateboarding Camp during Palm Beach County School's Spring Break, March 23-27. This interactive camp will be run by instructors from Locals Surf Shop at the Jupiter Skate Park facility (1501 W. Griffin, Small Road). Activities include evaluations, skill development and enhancement, drills and free skate. Equipment needed includes skateboard, helmet, and water bottle. Knee and elbow pads are recommended. For more information and camp details, visit www.jupiter.fl.us/Camps. Registration will begin Monday, January 13.

YOUTH BALLET - 112201

For more information on this camp, please contact Jupiter Skate Park at 561-630-5684 or visit www.jupiter.fl.us/Camps.
ADULT PROGRAMS

There's something for everyone in our many adult program offerings. These programs focus on 18+ residents, and provide a great way to stay active and engaged on a regular basis. Programs take place at the Jupiter Community Center unless otherwise noted. Full descriptions can be found at www.jupiter.fl.us/Recreation. Prices are listed for residents (R) and non-residents (NR). Fees for classes in progress are prorated. No classes on January 20, February 17 or March 23 - 30.

| YOGA FOCUS - 211102
| CPR/AED CERTIFICATION (AGE 12+)
This 2.5 hour CPR/AED American Heart Association certification course teaches the techniques of adult, child and infant CPR, how to respond to a choking victim, and how to recognize the signs and symptoms of a heart attack and stroke. Additional elements can be added to this course to satisfy healthcare worker requirements. For specific class information, contact instructor Jason Grifflis at 561-379-9221 or at griffl067@me.com. |

**Free for veterans and their families**

ADULT ATHLETICS

Athletic Leagues

The Town of Jupiter Recreation Department hosts over 20 adult athletic leagues with approximately 2,500 league participants each year. Leagues offered throughout the year include softball, flag football, soccer, basketball, volleyball, and baseball. For more information on the upcoming spring athletic leagues including dates, fees, and league contacts, please visit the Adult Athletics section at www.jupiter.fl.us/Recreation.

Open Gym

Open gym basketball, pickleball and game room hours at the Jupiter Community Center vary throughout the year. For current hours, visit www.jupiter.fl.us/OpenGym.

ADULTS WITH SPECIAL NEEDS PROGRAMS

The following programs do not provide aides or personal supports. Those who accompany participants will need to actively participate in each session. For more information, contact 561-741-2400 or visit www.jupiter.fl.us/Recreation.

MOVIE EVENTS

Adults are invited to watch sensory-friendly movies at the Community Center. Lemonade and popcorn will be served. There is no cost to attend, but please RSVP three days prior to the event at 561-741-2400.

BELL CHORUS - 111305

Jupiter’s first hand-bell choir engages out-of-school special needs adults by using music to teach teamwork, social interaction and communication skills. The program does not provide aides or personal supports. Those who accompany participants will need to actively participate in each practice session.

**Make up classes on 1/22, 2/19**

ADULT YOUTH SPORTS

For more details, visit www.jtaa.org or call 561-741-2526.

Recreation Programs and Activities | VOL 27 NO 1 | January - March 2020 Page 3
SENIOR PROGRAMS
The Town of Jupiter provides recreation opportunities including dances, trips, seminars, special events and activities that vary from season to season. Programs take place at the Jupiter Community Center unless otherwise noted. Full program descriptions may be viewed online at www.jupiter.fl.us/Recreation. Prices are listed for residents (R) and non-residents (NR). Fees for classes in progress are prorated. Contact the Recreation Coordinator for Senior Programs, Michael Frabotta, at 561-741-2310 or michaelf@jupiter.fl.us.
