

a general description of the parameters of work intended to be performed during the year. The annual plan review approval shall be assessed with an annual fee and shall be valid one year from the date of issuance. Any deviations from the approval will require plans to be reviewed in accordance with the Building Department policies and procedures. Inspections will be required and the Fire Marshal shall retain the right to make inspections at the facility as deemed necessary.

1.14.6 Plans Rejection. If the plans submitted for review do not conform to the requirements of this Code or other fire related laws or ordinances, the AHJ shall reject said plans and, provide in writing the reason(s) for rejection. Plans must then be re-submitted for review in accordance with the Building Department policies and procedures.

1.14.7 For all work for which plans must be reviewed, as set forth in Section 1.14.1 of this Code, and for all services associated therewith, a fee shall be paid as required at the time of submission of the plans or as required services are performed. For all inspections conducted pursuant to Section 1.3.8 of this Code, a fee shall be imposed for each building, based upon fixed property use. All fees shall be in accordance with Table 1.14.7.1.
